# GRAND NATIONAL SWEEPSTAKE KIT

## 1. MINELLA ROCCO

Last year's Gold Cup runner-up. Should go very well.

## 2. BLAKLION

In fine form. Fourth last year. Should make presence felt.

## 3. ANIBALE FLY

Career-best run to take third in the Cheltenham Gold Cup.

## 4. THE LAST SAMURI

Runner-up in 2016, good pedigree, not getting any younger.

## 5. VALSEUR LIDO

Grade One winner in his pomp but this year has been tough.

## 6. TOTAL RECALL

Fell in the Gold Cup but on fire over fences and hurdles.

## 7. ALPHA DES OBEAUX

Trainer knows what it takes to win, but form does not inspire faith.

## 8. PERFECT CANDIDATE

Streaky performer. Pulled up last year. Hard to make a case.

## 9. SHANTOU FLYER

A string of second-place finishes, but this is a step up.

## 10. TENOR NIVERNAIS

Trainer has won this with a 100-1 shot, but needs a miracle.

## 11. CARLINGFORD LOUGH

A Prolific Grade One winner in earlier days but is 12 years old.

## 12. VICENTE

Dual Scottish Grand National winner but fell at first last year.

## 13. TIGER ROLL

Three-time winner at Cheltenham Festival. Has a big chance.

## 14. REGAL ENCORE

Won a nice contest at Ascot last time. Might go well.

## 15. VIEUX LION ROUGE

Has struggled this year, but he knows Aintree well.

## 16. CHASE THE SPUD

Won at Haydock in November. Pulled up on last two starts.

## 17. WARRIORS TALE

A decent jumper, worth a bit of each-way money.

## 18. SEEYOUATMIDNIGHT

Not ideal preparation, but has admirers. Capable of a big say.

## 19. GAS LINE BOY

Getting on a bit, but a sound operator over these fences.

## 20. THE DUTCHMAN

Interesting horse if back to his best after broken blood vessels.

## 21. PLEASANT COMPANY

Sparingly campaigned since finishing ninth last year.

## 22. UCELLO CONTI

A previous second to Anibale Fly makes him one for the shortlist.

## 23. SAINT ARE

Thrives on the National challenge, placed there twice.

## 24. BEEVES

Well beaten at Cheltenham by Tiger Roll.

## 25. RAZ DE MAREE

Winner of the Welsh National and saved for this race.

## 26. I JUST KNOW

Could give his supporters a run for their money

## 27. VIRGILIO

A classy competitor in his younger days, but not this year.

## 28. BAIE DES IIES

Looks suited by the distance after a fine trial at Punchestown.

## 29. MAGGIO

The trip may prove beyond him, but got round once before.

## 30. PENDRA

Jumped round in 2016, but ground could be a worry.

## 31. BUYWISE

Talented on his day, he needs things to fall right for him.

## 32. CHILDRENS LIST

Beat Grade One winner Edwulf in 2016. Out of sorts.

## 33. LORD WINDERMERE

Eyecatching seventh here last year off a 3lb higher mark.

## 34. CAPTAIN REDBEARD

Ability to stay the Aintree distance is a question mark.

## 35. HOUBLON DES OBEAUX

Tenth last year, but struggles nowadays.

## 36. BLESS THE WINGS

Pulled up here last time. Can impress on his day.

## 37. MILANSBAR

Will stay all day and give Bryony Frost a decent first National.

## 38. FINAL NUDGE

His third placed finish in the Welsh National gives him a squeak.

## 39. DOUBLE ROSS

Dropped down the ratings, but jumped round here before.

## 40. ROAD TO RICHES

A Grade One winner in his best days. But that form is gone.

## 41. THUNDER AND ROSES

Fell on last two starts. Not a good sign here.

## 42. DELUSIONS OFGRANDEUR

Far from certain to stay the Aintree trip.

## 43. WALK IN THE MILL

Pulled up last time, hard to see him bouncing back here.

## 44. VINTAGE CLOUDS

Ran a cracking trial at Cheltenham and could be in the mix.
